What is **Blueprint** PROJECT

- The Blueprint Project is a heavily subsidised, 26 week Internship placement for job seekers with a barrier to employment and/or a disability.
- Job seekers are paid entry level wages for 8 or 15 hrs per week.
- Partner Employers act as a host and play a role in facilitating the development of skills, empowerment and confidence of the job seeker.
- Barriers are addressed in the workplace through tailored, on the job training and support.
- Skills are developed through recognised training (Cert II).
- The aim is to help the job seeker to be more competitive, and achieve full employment after their placement.

What are the benefits of becoming a Partner?

- This is an opportunity for your business to 'make a difference'.
- We will provide you with a suitable job seeker for the Internship and cover full salary costs, up to \$18.61 per hour.
- Certificate II training is completed in the worker's time outside of work hours, at no cost to the Employer.
- We will provide tailored on the job training & support.
- Becoming a Partner means your logo will appear on all Blueprint material as a Partnering Employer.
- You will be granted VIP status including free Mai-Wel event tickets, priority/pre-sale tickets opportunities, recognition on our web site and appearance in good news stories in local media etc.

PARTNERSHIP OPPORTUNITIES ARE LIMITED!

To register your interest call (02) 4991 6333 or visit www.maiwel.com.au/hlfs/blueprint & complete an Expression Of Interest Form TODAY!
