

The Mai-Wel Group

Advancing the Lives of People with a Disability

The Mai-Wel Group is one of the larger Disability Service Providers in the Lower Hunter Region, providing services, programs and employment opportunities to more than 800 people with a disability.

The Company employs more than 180 local support and administration staff and more than 110 supported employees, making us one of the largest employers in the Lower Hunter Region.

The Mai-Wel Group is focused on developing opportunities that advance the lives of people with a disability, allowing the individual to realise their goals for life and providing access, integration and opportunity for all.

The Mai-Wel Group presently provides services for people with a disability in:

- ▶ Supported employment
- ▶ Supported residential living
- ▶ Employment recruitment and support
- ▶ Job skills training
- ▶ Respite services
- ▶ Day programs
- ▶ Accommodation support programs

The Mai-Wel business divisions are TimeSavers, PACE Setters, The Enterprise Centre, Hunter LabourForce Solutions, Mai-Wel Training Services and Mai-Wel E-Cycling Services.

Mai-Wel Limited is a Quality Assured Organisation.

PACE Setters

A Division of Mai-Wel

PACE Setters, the timber and light engineering division of The Mai-Wel Group, employs a group of experienced and capable workers to manufacture export quality pallets and crates and a range of metal fabrication products.

The business is accredited under the Australian Wood Packaging and Certification Scheme (ISPM 15) to produce export crates and pallets according to customer specifications, size, weight and time frame for the domestic and export markets.

Situated in Maitland NSW, we are uniquely positioned at the geographic centre of the Hunter Valley's mining and engineering industries, where we can easily supply to customers anywhere from Newcastle and Lake Macquarie to the Upper Hunter.

PACE Setters specialises in being a major supplier of export packaging to Hunter businesses', and is one of only a handful of manufacturers in this region accredited by AQIS to manufacture and supply heat-treated, export quality crates and pallets. Our crates and pallets are sent all around the world to places such as the USA, Indonesia, Poland, China, Dubai, South Africa, Brazil, Germany and Canada.

The added bonus... you are contributing to long term employment opportunities for people with a disability in the Hunter region.

Export and Transport Crates

All our crates are made to Australian Standards. This ensures your goods and products arrive at their destination the way you intended - in good order!

We can supply you with export quality crates, made to your specifications, in large or small quantities.

Pallets - Custom Made

Special designs can be manufactured for those unusual products that can often prove difficult to transport. From 10kg to 10 tonne, sturdy pallets made to suit your product and storage requirements.

Light Metal Fabrication

At PACE Setters, we specialise in repetitive sheet metal fabrication such as metal brackets and washers.

We Offer

- ▶ Value for money
- ▶ Efficient service
- ▶ Quality Products.
